

Julie and the staff at CES have been great to work with these past 6 years. Julie is very knowledgeable and so helpful through the process of leasing a Kip. She responds quickly to phone calls and goes above and beyond expectations when we have issues to deal with. They can handle any job, large or small with great accuracy and efficiency.

The delivery of supplies is fast and easy. We usually get our order within 24 hours. Invoicing is done by e-mail which is very cost and energy efficient. I would recommend CES for all of your printing needs whether it's large format or binding booklets of any size, it all gets done quickly and correctly.
